

Puppy Contract

1. This puppy has been examined by a licensed Veterinarian and has been found to be in good health. Customer will have their state licensed Veterinarian examine and verify the health of the puppy within 72 hours of delivery to verify the dog's state of health.
2. All puppies come with proper pedigree.
3. Deposits are not refundable.
4. All sales are final; in case of an unforeseen circumstance to the puppy before shipping an exchange may be offered. Refunds will only be offered if a pup dies before shipment or there are not enough pups.
